Author: Hemingway, Ernest	Call Number: 813.52 Hemi 1954 c. 1	"The quintessential novel of the Lost Generation, <i>The Sun Also Rises</i> is one of Ernest Hemingway's masterpieces and a classic example of his spare but powerful writing style. A poignant look at the disillusionment and angst of the post-World War I generation, the novel introduces two of Hemingway's most unforgettable characters : Jake Barnes and Lady Brett Aspley. The story follows the tumultuous path of the two protagonists through the wild and hedonistic life of 1920s Paris.
